
7 Montagezubehör

7 installation accessories

Hier finden Sie das notwendige Zubehör zur Installation von Anlagen, wie z.B. Schellen und Rohrschlitten jeglicher Art oder Kalottenfüße. Auch Rohrendkappen unterschiedlichster Größe sind in dieser Produktgruppe hinterlegt. Weiterhin möchten wir Sie darauf hinweisen, dass wir natürlich auch Sonderschellen nach Ihren Wünschen anfertigen.

Montagezubehör
Installation accessories

Here you will find the necessary accessories for the installation of plants, e.g. tube clamps and pipe holders slide-type of any kinds or spherical cap bases. End caps of pipes in different sizes are based in this product group as well. Furthermore we would like to add, that we can certainly manufacture individual pipe clamps according to your demand.

7.01 Rohrkappen

7.01 pipe ends

7.09 pipe holder slide-type

Rohrschlitten DIN
pipe holder slide-
type DIN

$\varnothing C$

A

B

Rohr Schlitten Zoll
pipe holder slide-
type inch

Technical drawing of a pipe holder slide type in inch. The drawing shows a side view of the device. It consists of a vertical support structure with a horizontal pipe holder at the top and a horizontal pipe holder at the bottom. The top pipe holder is labeled 'A' and the bottom pipe holder is labeled 'B'. The diameter of the pipe holder is labeled 'øC'. The drawing is a technical illustration of a pipe holder slide type in inch.

Rohrslitten ISO
pipe holder slide-
type ISO

Technical drawing of a pipe holder slide type ISO. The drawing shows a side view of the assembly. A vertical pipe is held by a slide mechanism. The total height of the slide is labeled 'A'. The width of the slide is labeled 'B'. The diameter of the pipe is labeled 'øC'. The drawing includes a cross-section view of the pipe and the slide mechanism, showing the internal components and the way the pipe is held.
